EQUINOXE

EXPEDITIONS

Dhoni Stella 1, and her sistership Dhoni Stella 2, are unique in the Maldives. Most of the yachts in the region usually operate on an individual or cabin basis, Dhoni Stellas on the contrary can be booked on an exclusive basis only. Few cabins, few guests and a crew of four to guarantees the most sophisticated and personalized service.

Everything is on demand, guests can decide their programs, itineraries...menus. It is up to you to choose either visiting secluded or uninhabited islands only, or taking advantage of the opportunities offered by the best resorts in the archipelago. You can sail far South or North, reach diving grounds and marine sanctuaries which most of the yachts do not consider. Dhoni Stella 1 and 2 can of course sail together, and accommodate in this case up to 10/12 guests. The yachts are safely built in wood following the ancient maldivian tradition. They are, at the same time, simple, elegant and extremely comfortable. Reasonable dimensions and draft give access to the most hidden and preserved spot of the maldivian paradise.

ACCOMODATION:

Stella 1 can accomodate 4 adults in one double (bed 203 x 160 cm) and one twin (beds 203 x 90) cabins . In each cabin a bed for a child can be set.

Each cabin is located on the main deck with panoramic windows, excellent ventilation and wonderful sea view. All the cabins have ample space for personal effect storage, en-suite bathroom, individual air-conditioning, over-bed fans, flat TV and DVD player.

The voltage on board is 220volt. Dhoni Stellas' crew has a separate companionway, own quarter, heads and shower.
